Art Menius Radio

artmeniusradio.com

Radio Promotion Services that:

- Are **flexible** in price and scope and **customized** for each client across a broad range of services, genre, geographic area, and budgets, adjusting duration and number of CDs to fit the latter.
- Provide one-stop solutions including not just promotion but printing, mailing, downloads, streaming, and lots more. The Standard and above CD packages **include printing and mailing**.
- Focus on The Folk Chart and NACC Folk Chart, but digital (occasional CD) service provided across diverse folk and roots genre and charts with a goal of maximizing total airplay.
- Use my massive databases of more than 1000 programmers (maintained since 1984), 1000 programmer email addresses, and 20,000 plays, serving 1000 hosts twice weekly by email.
- Offered in DIY versions for those on a limited budget.

Mailing, printing, and support services without promotion are also available.

Instead of full promotion, Art Menius Radio offers options for the budget conscious and DIY including

- Creating a custom CD mailing list to fit your recording and goals for to handle mailing.
- Handling all aspects of the mailing including list, printing two sided one-sheet and track sheet, preparing and mailing the CDs to a custom list. (under most circumstances \$4 per unit)
- Mailing out CDs to your list with or without printing
- Providing digital delivery services, such as download, streaming, AirPlay Direct, and direct email

All promotional packages can be modified to fit the project and its budget.

US\$250 Digital Single Promotion Packages Include

- Creating a timeline for promotion
- Hosting Soundcloud streaming
- Hosting AirPlay Direct and sending one DPK blast to more than 1000 programmers
