

Art Menius Radio offers **Radio promotion services to North American folk radio that:**

- Are **flexible** in price and scope and **customized** for each client across a broad range of services, genre, geographic area, and budgets, adjusting duration and number of CDs to fit the latter.
- Provide **one-stop solutions** including not just promotion but printing, mailing, downloads, streaming, and lots more.
- Focus on **The FAI Folk Chart and NACC Folk Chart**, but digital (occasional CD) service provided across diverse folk and roots genre and charts with a goal of maximizing total airplay.
- Use its **massive databases** of more than 1000 programmers (maintained since August 1984), 1000 programmer emails, and more than 30,000 plays since 2019.
- Offered in DIY versions for those on a limited budget.

Three basic options for working with Art Menius Radio

1. Full promotion by Art Menius Radio based on packages inside brochure
2. A hybrid professional/DIY promotion guided by Art Menius Radio using its resources
3. Mailing or digital services without promotion as described below

Instead of full promotion, Art Menius Radio offers options for the budget conscious and DIY including

- Creating a custom CD mailing list to fit your recording and goals or mailing out CDs to your list
- Handling all aspects of the mailing including list, printing two sided one-sheet and track sheet, preparing and mailing the CDs, or Curating a list for you to handle mailing
- Providing digital delivery services and direct email to programmers on your behalf

"Art did an absolutely wonderful job promoting my album to folk radio for a very reasonable fee, with terrific results. He laid out everything he would do beforehand in a clear way and did exactly what he promised, plus he talked me through lots of tech stuff about promotion I needed to do myself that was incomprehensible to me. I highly recommend him and his services. Plus he's a lovely guy to boot." - Lucy Kaplansky
